

List of Rosary Clubs

Rosary Clubs List and Rules

The rosary clubs don't really meet unless they want to. To be a club member, you just need to pray at least one 5-decade Rosary a week and meet the individual club requirements. You need to qualify and re-sign your name on the website every six months to remain on the list. The list starts out fresh on July 1 and January 1 of the year. [Since we're kicking off the challenge on September 12, 2015, the first group will not need to re-sign until July 1, 2016.] You can belong to as many Rosary Clubs as you wish!

[Encircle as many clubs you qualify as a member. Your name will be added to the website alphabetically under the clubs you listed.]
